

We Used to Wait

Arcade Fire

I used to write
I used to write letters
I used to sign my name I used to sleep at night
Before the flashing lights settled deep in my brain But by the time we met
By the time we met the times had already changed So I never wrote a letter
I never took my true heart, I never wrote it down So when the lights cut out
I was lost standing in the wilderness downtown Now our lives are changing fast.
Now our lives are changing fast.
Hope that something pure can last.
Hope that something pure can last.
Now it seems strange
How we used to wait for letters to arrive
But what's stranger still
Is how something so small can keep you alive We used to wait.
We used to waste hours just walking around
We used to wait.
All those wasted lives in the wilderness downtown We used to wait.
We used to wait.
We used to wait.
Sometimes it never came
We used to wait
Sometimes it never came
We used to wait
I'm still moving through the pain
I'm gonna write
A letter to my true love
I'm gonna sign my name Like a patient on a table
I wanna walk again
Gonna move to the pain Now our lives are changing fast
Now our lives are changing fast
Hope that something pure can last
Hope that something pure can last We used to wait
We used to wait
We used to wait
Sometimes they never came
We used to wait
Sometimes they never came
We used to wait
I'm still moving through the pain
We used to wait
We used to wait
We used to wait

We used to wait for it
We used to wait for it
Now we're screaming "sing the again"
We used to wait for it
We used to wait for it
Now we're screaming "sing the again"
I used to wait for it
I used to wait for it
Hear my voice screaming "sing the again"
Wait for it
Wait for it
Wait for it
