

The Best You Had

Nina Nesbitt

Does she ever feel like me?
Run her fingers down your back
Do you ever talk about us?
Or is it just the bad times we had?
'Cause baby it's been three weeks and I'm going out my mind
How does she taste, is it sweeter than my puss?
I've been using baddies just to get me through the night
Is it the same, huh?'Cause it's crazy that you're moving on so fast
But baby it's okay I am still the best you've had
And it hurts to think of you like that
But baby it's okay I am still the best you've had
Oh na na na na, Oh na na na na, Oh na na na na
If I am still the best you've had
Oh na na na na, Oh na na na na, Oh na na na na
If I am still the best you've had
Nobody did it like us, nobody did like you did
Darling I know that we're fucked
was stupid
Tell everyone I hate you cause I'm scared of playing fear
It's complicated'Cause it's crazy that you're moving on so fast
But baby it's okay I am still the best you've had
And it hurts to think of you like that
But baby it's okay I am still the best you've had
Oh na na na na, Oh na na na na, Oh na na na na
If I am still the best you've had
Oh na na na na, Oh na na na na, Oh na na na na
If I am still the best you've had I don't want you, no nothing more
I don't need you, it's crazy that you're moving on so fast
When I'm still the best you've had
It's crazy that you're moving on so fast
But baby it's okay I am still the best you've had
And it hurts to think of you like that
But baby it's okay, I am still the best you've had
Oh na na na na, Oh na na na na, Oh na na na na
Maybe it's okay, the best, oh the best you've had
Oh na na na na, Oh na na na na, Oh na na na na
I am still the best you've had
