

Could've Been Me

Billy Ray Cyrus

I hear you just got married
Took a month long honeymoon
and you were all smiles at the wedding
and you cried when you kissed the groom
I got no invitation
I guess the mail man didnt bring it to me
but I see the whole thing in slow motion every night as i try to sleep
my buddy john said you looked real pretty
and you acted like you were in love
He said the preacher asked for objections
and he thought about standing up
I told John he must have been crazy
cuz you were just about to say I DO
He Just gave me a wink and said all he could think
is it could've been me with you
It could've been me
standing there with you
it could've been me
and my dreams coming true
but those dreams move on if you wait too long
It took me to now to see that it could've been me I dont guess I ever told you
that I went out and bought you a ring
I even carried it around in my pocket
waiting to say the right thing
I pulled it out the other day
but the diamond had lost it's shine
well I know how it feels cuz my eyes grow dim
when I think you could've been mine
It could've been me
standing there with you
it could've been me
and my dreams coming true
but those dreams move on if you wait too long
It took me to now to see that it could've been me I know I called just in time
bit too late
You know dreams move on
if you wait too long
It took me to now to see that It could've been me
standing there with you
it could've been me
and my dreams coming true
but those dreams move on if you wait too long

It took me to now to see that it could've been me
It could've been me
