

# All Eyes on Me

Or3o

[Intro]

Long long time ago  
I had my own little show  
Was a beautiful, loveable angel  
But he took the spotlight, shining so bright  
Left me to fade away  
But honey, now, the turn is mine[Verse 1]  
A devil made from heaven, sent from above  
Looks like Henry's got a little date, let's have some fun  
We've got lots to do little errand boy  
Come to me at Cloud Nine  
To be the perfect angel, some sin must be done

[Pre-Chorus 1]

You told me what to do and what to say  
I couldn't escape  
You got to choose the ending of my fate  
You put me astray[Chorus 1]  
But not anymore  
I'm in control  
I have the stage  
You can't turn the page  
Now, all eyes on me  
All eyes on me

[Verse 2]

So many experiments, so many mistakes  
But I'll go all the way 'til I'm in perfect shape  
First the worst, maybe third's the charm  
So close, oh, I cannot wait  
The demon won't taint me now  
'Cause you're the sacrifice he'll slay

[Pre-Chorus 2]

You said I wasn't good enough to stay  
You put me away  
You took away my future and my fame  
But now that will change[Chorus 2]

Focus on me

I'll be all that they see  
I'll make them sway  
No, can't run away  
Now, all eyes on me  
Ooh, babe, hey![Bridge]  
You don't know what it's like to drown away

In a puddle of shame  
You, yes, you, made me insane!  
[Chorus 3]  
But not anymore  
I'm in control  
I have the stage  
You can't turn the page  
Now, do as you're told (Encore, hit the beat boys)  
Focus on me  
I'll be all that they see  
I'll make them sway  
No, can't run away  
Now, all eyes on me  
Now, all eyes on, all eyes on me!
