## **Something to Remind You**

## **Staind**

So this is it...

I say goodbye

To this chapter of my ever-changing life

And there's mistakes

The path is long

And I'm sure I'll answer for them when I'm goneSo when the day comes and the sun won't touch my face

Tell the ones who cared enough that I've finally left this place...

That's been so coldLook in my face

All the stories it will tell, I can't erase

The road is long

Just one more song

A little something to remind you when I'm gone

When I'm gone...The road to Hell

Along the way...

Is paved with good intentions

So they say...

And some believe

That no good deed

Goes unpunished in the end, or so it seemsSo when the day comes and the sun won't touch my faceTell the ones who care enough that I've finally left this place...That's been so cold

Look in my face

All the stories it will tell, I can't erase

The road is long

Just one more song

A little something to remind you when I'm gone

When I'm gone...

So this is it...

I say goodbye

To this chapter of my ever-changing life

And there's mistakes

The path was long

And I'm sure I'll answer for them when I'm gone

When I'm gone.
