

# Make Me a Believer

Luther Vandross

Superman can fly high, way up in the sky  
'Cause we believe he can  
So what we choose to believe can always work out fine  
It's all in the mind So think of a place and imagine a time  
Imagine a time, imagine a time  
And let's go be lovers Believing me, ooh we baby  
Is believing right, yeah, yeah, yeah  
And I wanna love, wanna have, wanna hold you girl, girl  
So make me a believer  
Wanna love, wanna love, wanna love  
Wanna love, wanna love, wanna girl  
I wanna love, wanna have, wanna hold you girl, girl  
Ooh, so near  
And forever keep you here  
Forget all about whatever we fear, whatever we fear And let's just be lovers  
Loving and loving, oh love is the way  
To make me stay, make me stay Yeah, I know the way to persuade me over to your side  
And I am sure you can  
So if you get me to believe  
It all will work out fine  
'Cause you'll blow my mind So let's pick a place and a day and a time  
A place and a day and a time  
And then we'll be lovers  
Loving and loving, oh love is the way  
To make me stay, make me stay  
I wanna love, wanna have, wanna hold you girl, girl  
So make me a believer  
Wanna love, wanna love, wanna love  
Wanna love, wanna love, wanna girl I wanna love, wanna have, wanna hold you girl, girl  
So make me a believer  
Wanna love, wanna love, wanna love  
Wanna love, wanna love, wanna girl I wanna love, wanna have, wanna hold you girl, girl  
So make me a believer  
Wanna love, wanna love, wanna love  
Wanna love, wanna love, wanna girl
