Make Me a Believer

Luther Vandross

Superman can fly high, way up in the sky

'Cause we believe he can

So what we choose to believe can always work out fine

It's all in the mindSo think of a place and imagine a time

Imagine a time, imagine a time

And let's go be loversBelieving me, ooh we baby

Is believing right, yeah, yeah, yeah

AndI wanna love, wanna have, wanna hold you girl, girl

So make me a believer

Wanna love, wanna love, wanna love

Wanna love, wanna girl

I wanna love, wanna have, wanna hold you girl, girl

Ooh, so near

And forever keep you here

Forget all about whatever we fear, whatever we fearAnd let's just be lovers

Loving and loving, oh love is the way

To make me stay, make me stay Yeah, I know the way to persuade me over to your side

And I am sure you can

So if you get me to believe

It all will work out fine

'Cause you'll blow my mindSo let's pick a place and a day and a time

A place and a day and a time

And then we'll be lovers

Loving and loving, oh love is the way

To make me stay, make me stay

I wanna love, wanna have, wanna hold you girl, girl

So make me a believer

Wanna love, wanna love, wanna love

Wanna love, wanna love, wanna girlI wanna love, wanna have, wanna hold you girl, girl

So make me a believer

Wanna love, wanna love

Wanna love, wanna love, wanna girlI wanna love, wanna have, wanna hold you girl, girl

So make me a believer

Wanna love, wanna love, wanna love

Wanna love, wanna love, wanna girl
