

# Sometimes It Ends

## Asking Alexandria

So here we fucking go  
You're going down  
You're on your own  
This hate is endless  
Tonight I think I'll cross the line  
I'll cross the fucking line  
This hate is relentless  
Oh, here we go down this hole  
I've lost control  
Save me  
Picking up, picking up another life  
Waking up, waking up from all the lies  
I feel so alone  
Sometimes it ends  
Sometimes you fall  
Crossing out the man that I've become  
I'm standing tall  
Stronger than I ever did before  
Against them all  
I know that you have locked me in your eyes  
And I can't resist it  
The target on your chest is all I can see  
Fight me now  
It's not over  
No, no, no, it's not over  
Pick me up from the ground just once more  
So on I go, on I go  
But never alone  
Sometimes it ends  
Sometimes you fall  
Crossing out the man that I've become  
I'm standing tall  
Stronger than I ever did before  
Against them all  
Now it's my turn to drag you through this hell  
Through this hell  
I won't forgive  
I won't let go of what you've done  
Woke up alone  
So sick of this game  
I've spent too many years in this house of pain  
If you can't find the words, read between the lines

So take it or leave it to me  
So take it or leave it to me from here this time
