

Sittin' Pretty

Florida Georgia Line

That sunset straight up as it gets
Short shorts restin' just right on your hips
Kiss chillin' on your lips,
I'm for sure gonna get it in a minute
First time I take another sip That Chevrolet sittin' in the driveway
Is gonna stay sittin', girl we ain't gettin' anywhere
But closer I know you're in the mood with
literally nothin' but each other on to-do list We got all da*n day to do it our way
Like an old tire swing in the shade
Got it made in the sweet spot
Baby you and me got
A couple free seats on a cloud nine ride
Don't matter if we're sittin' on a porch
In the car, at a bar
Or a boat down to Panama City
Gonna be a hell of a view
I'm just fine long as I'm sittin' next to you
Sittin' pretty
Yeah, I'm sittin' pretty
Good, I'm sittin' pretty Everything is feeling like it should
Don't think that it could get any better
But this weather I wish I would turn up the heat
Coupla degrees, get you in that AC
Let down the blinds, call it a day
We got all damn day to do it our way
Like an old tire swing in the shade
Got it made in the sweet spot
Baby you and me got
A couple free seats on a cloud nine ride
Don't matter if we're sittin' on a porch
In the car, at a bar
Or a boat down to Panama City
Gonna be a hell of a view I'm just fine long as I'm sittin' next to you
Sittin' pretty
Yeah, I'm sittin' pretty
Good, I'm sittin' pretty
Damn, I'm sittin' pretty
Good Pretty as a peach
As a postcard picture of a West Coast Beach
So pretty if I had to bet
This is pretty much as good as it gets
We got all damn day to do it our way

Like an old tire swing in the shade
Got it made in the sweet spot
Baby you and me got
A couple free seats on a cloud nine ride Don't matter if we're sittin' on a porch
In the car, at a bar
Or a boat down to Panama City
Gonna be a hell of a view
I'm just fine long as I'm sittin' next to you
Sittin' pretty
Yeah, I'm sittin' pretty
Good, I'm sittin' pretty
Yeah, I'm sittin' pretty
Good, I'm sittin' pretty
Yeah, I'm sittin' pretty
Good
