

In and Out of Love

Vera

You were always on my mind
I'm runnin' 'round in circles
Think about you all the time
It's never quite enough
Days go by, the world is slowly turning
For what it's worth, you always got my love
I'm in and out of love
I'm in and out of love
Out of love, out of love
I'm in and out of love
Nights are long and cold, and I
Was never really certain
Going backwards by the lake
To where you once were mine
In my soul I see your fire burning
For what it's worth you always got my love
I'm in and out of love
I'm in and out of love
Out of love, out of love
I'm in and out of love
