

# Walk Away

## Franz Ferdinand

I swapped my innocence for pride, crushed the end within my stride  
Said I'm strong now I know that I'm a leaver  
I love the sound of you walking away, you walking away  
Mascara bleeds a blackened tear, oh  
And I am cold, yes, I'm cold but not as cold as you are  
I love the sound of you walking away, you walking away  
I love the sound of you walking away, walking away, hey, hey  
Why don't you walk away?  
Why don't you walk away? Why don't you walk away? No buildings will fall down  
Don't you walk away, no quake will split the ground  
Won't you walk away, the sun won't swallow the sky  
Won't you walk away? Statues will not cry, don't you walk away  
Why don't you walk away?  
Why don't you walk away?  
Why don't you walk away? Hey  
I cannot turn to see those eyes as apologies may rise  
I must be strong, stay an unbeliever And love the sound of you walking away, you walking  
away Mascara bleeds into my eye, oh and I'm not cold  
I am old at least as old as you are  
And as you walk away  
Oh as you walk away  
Oh as you walk away, my headstone crumbles down  
As you walk away, the Hollywood winds will howl  
As you walk away, the Kremlin's falling  
As you walk away, radio four is static  
As you walk away  
Oh as you walk away  
Oh as you walk away  
Oh as you walk away hey  
The stab of stiletto on a silent night  
Stalin smiles and Hitler laughs  
Churchill claps Mao Tse Tung on the back
