Walk Away

Franz Ferdinand

I swapped my innocence for pride, crushed the end within my stride Said I'm strong now I know that I'm a leaver I love the sound of you walking away, you walking away Mascara bleeds a blackened tear, oh And I am cold, yes, I'm cold but not as cold as you are I love the sound of you walking away, you walking away I love the sound of you walking away, walking away, hey, hey Why don't you walk away? Why don't you walk away?Why don't you walk away? No buildings will fall down Don't you walk away, no quake will split the ground Won't you walk away, the sun won't swallow the sky Won't you walk away? Statues will not cry, don't you walk away Why don't you walk away? Why don't you walk away? Why don't you walk away? Hey I cannot turn to see those eyes as apologies may rise I must be strong, stay an unbelieverAnd love the sound of you walking away, you walking awayMascara bleeds into my eye, oh and I'm not cold I am old at least as old as you are And as you walk away Oh as you walk away Oh as you walk away, my headstone crumbles down As you walk away, the Hollywood winds will howl As you walk away, the Kremlin's falling As you walk away, radio four is static As you walk away Oh as you walk away Oh as you walk away Oh as you walk away hey The stab of stiletto on a silent night Stalin smiles and Hitler laughs Churchill claps Mao Tse Tung on the back
