Morning After Dark (feat. Nelly Furtado & SoShy)

Timbaland

Go Timbo

I'll be the same when it all goes up

I'll be the same when it all goes down

Not the first one open it up

I'll be the last one closing it out

Don't know if I'll give you a shot yet

Lil Mama, I'm peeping your style

Do I think you're dope enough? Yup

One way of finding it out

The way you came at me, boo

Don't care, not afraid, I'm like wild

Really want it from head to toe

Question if she gon' let it out

Anyway the hour glass go

I don't worry anyhow

Why don't we see where it go?

Let's figure it out

When the cats come out the vamps come out to play, yeah

In the morning after

The dawn is here, be gone, be on your way, yeah

In the morning after

When the cats come out the vamps come out to play, yeah

In the morning after

The dawn is here, be gone, be on your way, yeahIn the morning after darkCome on, SoShyI got

a little secret for ya

I never sleep when comes the night

But every time I smack my fingers

I switch back into the light

My moon belongs to your sun

Your fire is burning my mind

Is it love or is it lust?

Something that I just can't describe

Am I the one and only?

'Cause you're the only one

It felt so long and lonely

Waiting for you to come

It's looking bright and early

I'm willing to close my eyesThis is the unusual story

Timbo and SoShy

When the cats come out the vamps come out to play, yeah

In the morning afterThe dawn is here, be gone, be on your way, yeah
In the morning after

When the cats come out the vamps come out to play, yeah
In the morning afterThe dawn is here, be gone, be on your way, yeahIn the morning after dark
Go Nelly

I need some REM but

I don't like sleeping aloneSo come and pick me up asSoon as you put down the phone

I wanna get into trouble

Later you'll carry me home

I wanna go undercover

I just wanna rattle your bones

Yes, I'm the one and only

But I'm not the only one

So let's work overtime on this shift

It ends with the sunMaybe we can start a riot

Maybe we can run this town

Maybe I'll be your vampire

We could figure it out

When the cats come out the vamps come out to play, yeah

In the morning after

The dawn is here, be gone, be on your way, yeahIn the morning afterWhen the cats come out the vamps come out to play, yeah

In the morning after

The dawn is here, be gone, be on your way, yeah

In the morning after dark

Dark, dark, dark, dark, in the morning after dark

Dark, dark, dark, dark, in the morning after dark

Please don't leave me, girl, in the morning after dark

Please don't leave me, girl, in the morning after dark

Please don't leave me, girl

When the cats come out the vamps come out to play

When the cats come out the vamps come out to play

The dawn is here, be gone, be on your way

When the cats come out the bats come out to play

The dawn is here, be gone, be on your way
