

# Groupie (Club Mix)

Bob Sinclar

She can be your groupie boy  
You can treat her like a toy  
Groupie come and groupie dumb  
Groupie fun has just begun  
She can be your groupie boy  
You can treat her like a toy  
Groupie come and groupie dumb  
Groupie fun has just begun  
Groupie boy, Groupie boy, Groupie boy, Groupie boy, Groupie boy  
Boy, boy, boy, boy... You wanna turn me on  
You wanna turn me on  
You wanna slap my ass  
You wanna use me  
You wanna take me home  
You wanna hold me close  
You wanna own my hand  
You wanna use me  
You can't use me  
You can't use me  
Excuse me, I ain't no groupie  
Groupie, groupie  
Ex-excuse me I ain't no groupie She can be your groupie boy  
You can treat her like a toy  
Groupie come and groupie dumb  
Groupie fun has just begun  
She can be your groupie boy  
You can treat her like a toy  
Groupie come and groupie dumb  
Groupie fun has just begun  
Groupie boy, Groupie boy, Groupie boy, Groupie boy, Groupie boy  
Boy, boy, boy, boy...  
You wanna turn me on  
You wanna turn me on  
You wanna slap my ass  
You wanna use me  
You wanna take me home  
You wanna hold me close  
You wanna own my hand  
You wanna use me  
You can't use me  
You can't use me  
Excuse me, I ain't groupie

Groupie, groupie  
Ex-excuse me I ain't no groupie You've gotta have it your way  
But I don't think it's okay  
So find someone else to play  
Can be your groupie  
Just for one night  
Groupie, you can have it all night  
Groupie, Groupie, Groupie, Groupie, Groupie, Groupie Go find a beauty to be your groupie  
You wanna turn me on  
You wanna slap my ass  
You wanna own my hand  
You wanna use me  
Excuse me, I ain't no groupie
