

# A Girl Like You

Pete Yorn

Someday  
I'll look into her green eyes  
And know that she'll come with me  
A girl like you Too many  
Things I do not care for  
But one thing that I adore  
Is a girl like you I'll always try  
To look you in the eye  
It's okay  
With a girl like you  
Tomorrow  
I think I'll tell you something  
The thing that I haven't said  
To a girl like you And even if  
I don't know what the day will bring  
Still I can tell most anything  
To a girl like you  
I'll always try  
To look you in the eye  
It's okay  
With a girl like you  
It's okay  
With a girl like you  
A girl like you
