

# Honey Bee

Blake Shelton

Girl I been thinkin' 'bout us  
And you know I ain't good at this stuff  
But these feelings piling up won't give me no rest  
This might come out a little crazy  
A little sideways, yeah maybe  
I don't know how long it'll take me  
But I'll do my best You'll be my soft and sweet  
I'll be your strong and steady  
You be my glass of wine  
I'll be your shot of whiskey  
You be my sunny day  
I'll be your shade tree  
You be my honeysuckle  
I'll be your honey bee  
Yeah that came out a little country  
But every word was right on the money  
And I got you smilin' honey right back at me  
Now hold on 'cause I ain't done  
There's more where that came from  
Well you know I'm just havin' fun  
But seriously You'll be my Louisiana  
I'll be your Mississippi  
You be my little Loretta  
I'll be your Conway Twitty  
You be my sugar baby  
I'll be your sweet iced tea  
You be my honeysuckle  
I'll be your honey bee  
Your kiss just said it all  
I'm glad we had this talk  
Nothin' left to do but fall in each other's arms  
I could've said a "I love you"  
Could've wrote you a line or two  
Baby all I know to do  
Is speak right from the heart You'll be my soft and sweet  
I'll be your strong and steady  
You be my glass of wine  
I'll be your shot of whiskey  
You be my sunny day  
I'll be your shade tree  
You be my honeysuckle  
I'll be your honey bee You'll be my Louisiana

I'll be your Mississippi  
You be my little Loretta  
I'll be your Conway Twitty  
You be my sugar baby  
I'll be your sweet iced tea  
You be my honeysuckle  
I'll be your honey bee  
I'll be your honey bee
