

I Promise You (With Everything I Am)

Backstreet Boys

It's in the silences
The words you never say
I see it in your eyes
Always starts the same way
It seems like everyone we know
Is breakin' up
Hmm, does anybody ever stay in love... anymore? I promise you
From the bottom of my heart
I will love you til' death do us part
I promise you
As a lover and a friend
I will (ooh) love you like I never love again With everything I am
Ooh
I see you look at me
When you think I'm not aware
You're searching for clues
Of just how deep my feelings are
How do you prove the sky is blue, the oceans wide All I know is what I feel
When I look into your eyes I promise you (I promise you)
From the bottom of my heart
(from the bottom of my heart babay)
I will love you til' death do us part
(I do my darlin', I promise yeah)
I promise you (I promise you)
As a lover and a friend I will (ooh) love you like I never loved again
With everything that I am
Ooh yeah
Oh there are no guarantees
That's what you always say to me (mmm) But late at night I feel the tremble in your touch, baby
(Oh yeah)
Oh And what I'm trying to say to you
I never said to anyone I promise (oh no) I promise (Promise) you (you you you)
From the bottom of my heart
(from the bottom of my heart)
I will love you til' death do us part
(Oh)
(do you darlin' I promise you yeah) I promise you
As a lover and a friend
(as a lover and a friend)
I will love you like I never love again
with everything I am I promise you
(with everything I am)

From the bottom of my heart
(from the bottom of my heart)
I will love you til' death (love you) do us part
(I love you, I love you, I love you, I love you)
(this is promise you, babe)
I promise you
As a lover and a friend
I will love you like I never love again
With everything I am
You're everything I am
Oh yeah
(doo...)
With everything I am
