Never Enough

Kelly Clarkson

I'm tryin' to hold my breath Let it stay this way Can't let this moment end You set off a dream in me Getting louder now Can you hear it echoing?Take my hand Will you share this with me? 'Cause darling, without you All the shine of a thousand spotlights All the stars we steal from the night sky Will never be enough, never be enough Towers of gold are still too little These hands could hold the world, but it'll Never be enough, never be enough for meNever, never Never, never Never, for me, for me Never enough, never enough, never enough For me, for me, for meAll the shine of a thousand spotlights All the stars we steal from the night sky Will never be enough, never be enough Towers of gold are still too little These hands could hold the world, but it'll Never be enough, never be enough for me Never, never Never, never Never, for me, for me Never enough, never, never Never enough, never, never Never enough For me, for me, for meFor me Song Discussions is protected by U.S. Patent 9401941.
