

I'll Stay

Augustana

I forget you and your lips
Half an hour and my heart stops beating
You still love the things you did
I could want you
But my heart is shattered Love is such a cruel game
And it won't let you be the same Do you come down?
Dream me down
And how does it feel
Feeling down?
You're wasting your breath
Just say the word
And I'll stay
I was once a man like you
Half a day and then my love was faded
I could put a ring on too
I could make your life a living hell Love is such a cruel game
And it won't let you be the same Do you come down?
Dream me down
And how does it feel
Feeling down?
You're wasting your breath
Just say the word
And I'll stay Oh yeah And love is such a cruel game
And it won't let you be the same
And it won't let you run away
Do you come down?
Dream me down
Just turn around
Just say the word
Honey, know
Say the word
Don't ignore
Say the word
And now I'll stay
I'll stay
I'll stay
Oh la la la la la la
