

# Unholy Confessions

## Avenged Sevenfold

I'll try, she said, as he walked away  
Try not to lose you  
Two vibrant hearts could change  
Nothing tears the being more than deception  
Unmasked fear  
I'll be here waiting tested and secure Nothing hurts my world  
Just affects the ones around me  
When sin's deep in my blood  
You'll be the one to fall I wish I could be the one  
The one who won't care at all  
But being the one on the stand  
I know the way to go, no one's guiding me  
When time soaked with blood turns its back  
I know it's hard to fall  
Confined in me was your heart  
I know it's hurting you, but it's killing me Nothing will last in this life  
Our time is spent constructing  
Now you're perfecting a world... meant to sin Constrict your hands around me  
Squeeze till I cannot breathe  
This air tastes dead inside me  
Contribute to our plague Break all your promises  
Tear down this steadfast wall  
Restraints are useless here  
Tasting salvation's near  
Nothing hurts my world  
Just affects the ones around me  
When sin's deep in my blood  
You'll be the one to fall I wish I could be the one  
The one who won't care at all  
But being the one on the stand  
I know the way to go, no one's guiding me When time soaked with blood turns its back  
I know it's hard to fall  
Confined in me was your heart  
I know it's hurting you, but it's killing me
