

# Nobody to Love (Extended Mix)

## Sigma

I know you're tired of loving  
Just grab somebody, no leaving  
No!

I know you're tired of loving, of loving  
With nobody to love, nobody, nobody  
So just grab somebody, no leaving this party  
With nobody to love, nobody, nobody  
I know you're tired of loving, of loving  
With nobody to love, nobody, nobody  
With nobody to love, nobody, nobody  
I know, i know you're tired of loving  
Just grab somebody, no leaving  
No!

With nobody to love, nobody, nobody  
Just grab somebody, no leaving this party  
With nobody to love, nobody, nobody  
I know you're tired of loving, of loving  
With nobody to love, nobody, nobody  
So just grab somebody, no leaving this party  
With nobody to love, nobody, nobody  
I know you're tired of loving, of loving  
With nobody to love, nobody, nobody  
So just grab somebody, no leaving this party  
With nobody to love, nobody, nobody
