

My Oh My

Leonard Cohen

Wasn't hard to love you
Didn't have to try
Wasn't hard to love you
Didn't have to try
Held you for a little while
My oh My oh My
Held you for a little while
My oh My oh My
Drove you to the station
Never asked you why
Drove you to the station
Never asked you why
Held you for a little while
My oh My oh My
Held you for a little while
My oh My oh My All the boys were waving
Trying to catch your eye
All the boys were waving
Trying to catch your eye
Held you for a little while
My oh My oh My
Held you for a little while
My oh My oh My
Wasn't hard to love you
Didn't have to try
Wasn't hard to love you
Didn't have to try
Held you for a little while
My oh My oh My
Held you for a little while
My oh My oh My
