

This Land Is Your Land

Marc Scibilia

This land is your land
This land is my land
From California
To the New York Island
From the Redwood forest
To the gulf stream waters
This land was made for you and me
As I was walking
A ribbon of highway
I saw above me
An endless sky way
I saw below me
A golden valley
This land was made for you and me
I've roamed and rambled
I followed my footsteps
The sparkling sands of a diamond desert
And all around me
A voice was sounding
This land was made for you and me
The sun was shining
And I was strolling
The wheat fields waving
And the dust clouds rolling
And the fog was lifting
And a voice was saying
This land was made for you and me
This land is your land
This land is my land
From California
To the New York Island
From the red wood forest
To the gulf stream waters
This land was made for you and me
This land was made for you and me
This land was made for you and me
