## Rescue Me (Tearing the Bonds Asunder Radio Edit)

## The Alarm

A renegade

Rides a run away train

To liberate

Tear these bonds assunder

A fugitive

Running from a chain gang

Comfort me

Grant me absolutionRunning all my life

Running all my day

Running through the night

Seems like forever

Take me now

I'm so tired

Take me now

This time, forever

**RESCUE ME** 

I'm on the run like a refugee

**RESCUE ME** 

Oh come on rescue meI'm destitute

I'm looking for protection

I want love

And physical asylum

A vagabond

Running from destruction

Cover me

While I seek defection

Running all my life

Running all my day

Running through the night

Seems like forever

Take me now

I'm so tired

Take me now

This time, foreverRESCUE ME

I'm on the run like a refugee

**RESCUE ME** 

I believe you can rescue meRunning all my life

Running all my day

Running through the night

Seems like forever

Take me now
I'm so tired
Take me now
This time, foreverRESCUE ME
On the run like a refugee
RESCUE ME
Oh come on rescue me
RESCUE ME
Got to run like a refugee
RESCUE ME
I believe you can rescue me
RESCUE ME
Come on, come on, come on
