

I Would Like

Zara Larsson

I didn't know that I could want you so deep
Until I saw you with someone who's not me
You've got me playing in a game that ain't fair
But you're taking me there
Yeah, you're taking me there (Oh) I can't help myself, it's human nature, human nature
Who's to say what's meant to be?
(Oh) Why can't we be on our worst behavior, worst behavior when it comes so naturally?
I would like to get to know you, baby
Like to get under your sexy body
I would like to get to know you, baby
Like to get under your sexy body Woah, woah
(Under your sexy body) (Oh)
Under your sexy body (Oh)
Under your sexy body
Know what you're doing when you hold her like that
(like that)
Looking at me to see if I'm looking back
But me and you both know where tonight is gon' lead
(gon' lead)
Cause you're leaving with me
(leaving with me)
Yeah, you're leaving with me, yeah (Oh) I can't help myself, it's human nature, human nature
Who's to say what's meant to be?
(Oh) Why can't we be on our worst behavior, worst behavior when it comes so naturally?
(Oh, woah) I would like to get to know you, baby
Like to get under your sexy body
I would like to get to know you, baby
Like to get under your sexy body
Woah, woah
(Under your sexy body)
Nah-nah-nah, nah-nah-nah (oh)
Under your sexy body (oh)
Under your sexy body I would like to get to know you, baby
Like to get under your sexy body Come take me under now
Nah-nah-nah, nah-nah-nah (oh)
Go on and go there
Nah-nah-nah, nah-nah-nah (oh)
Come take me under now
Nah-nah-nah, nah-nah-nah (oh)
Go on and go there
Nah-nah-nah, nah-nah-nah (oh) I would like to get to know you, baby
Like to get under your sexy body

I would like to get to know you, baby
Like to get under your sexy body
(Under your sexy body)
I would like to get to know you, baby
Like to get under your sexy body
I would like to get to know you, baby
Like to get under your sexy body Come take me under now
Nah-nah-nah, nah-nah-nah (oh)
Go on and go there
Nah-nah-nah, nah-nah-nah (oh)
Come take me under now
Nah-nah-nah, nah-nah-nah (oh)
Go on and go there
Nah-nah-nah, nah-nah-nah (oh)
