

# I Ain't Ready to Quit

Jason Aldean

There's something about lightnin up a marlboro red  
That nicotine rush into my head  
And a taste of southern comfort on my lips  
Tells me I aint ready to quit  
Something about driving way to fast  
Switchin gears and hammerin on the gas  
And the fact that they aint called me yet  
Tells me I aint ready to quit Don't start thinking I'm gonna stop  
Giving it all I got  
If you think you seen love you aint seen nothing yet  
How could I ever get tired  
Of wakin up by your side  
And the taste of your sweet kiss  
Tells me I aint ready to quit  
There's something about the way you say my name  
That drives this old country boy insane  
So baby don't don't stop loving me like this  
Cause I aint ready to quit Don't start thinking I'm gonna stop  
Giving it all I got  
If you think you seen love you aint seen nothing yet  
How could I ever get tired  
Of waking up by your side  
And the taste of your sweet kiss  
Tells me I aint ready to quit  
Don't start thinking I'm gonna stop  
Girl I'm giving it all I got  
If you think you seen love you aint seen nothing yet  
How could I ever get tired  
Of wakin up by your side  
And the taste of your sweet kiss  
And the taste of your sweet kiss  
Tells me I aint ready to quit
