

Cricketts

Drop City Yacht Club

So, I told her like oh darlin'
I feel like I am fallin'
I think I'm in whatever it is they call it I'm talkin' 'bout love
My friends say I'm trippin' but baby I don't really give a fuck
Oh, oh. Pardon my french girl I just wanna know what's up
I told her we should kick it
But all I heard was crickets I'm like "Girl what ya doin' for today?"
I'm thinking maybe me and you should go and run away
And now I don't believe in love at first sight
But after seein' you baby, maybe I might
'Cause when you walked by, I knew you were my type
The apple of my eye, you're flyer than a kite
Okay alright, I know that was kinda corny
But (but) I'm just warmin' up Look at you, look at you, all dolled up
Look at me, look at me, gettin' caught up
Goin' down, goin' down, yeah I'm shot up
But hopefully you got a number I can call up And if you do girl, that be super
These chicks hot, but you're so much cooler
And I was hoping she would give me a chance
She walked by and didn't gimme a glance, damn So, I told her like oooh baby
I'm so amazed by everything that you do
So, I told her like oh darlin'
I feel like I am fallin'
I think I'm in whatever it is they call it
I'm talkin' 'bout love
My friends say I'm trippin' but baby I don't really give a fuck
Oh, oh. Pardon my French girl, I just wanna know what's up. (what's up)
I told her we should kick it
But all I heard was crickets Yeah, yeah, I said "Girl, what ya doin' on the weekend?"
And she said "I don't even know, depends."
But you're the one that I've been seein' in my dreams and
Maybe we can get together in the evening I know we just met but fate I believe in
I know a spot where the stars just peek in
If love is deep, I'll put both feet in
Show me where the sea is, I'll be in the deep end Ha, your beauty got me sinkin'
Got me sayin' all this shit without thinkin'
I probably sound like I spent the night drinkin'
Or these are lines that I'm always repeatin' But it's the heart on my sleeve
That wanna know if you might have a spare key
But if you're a heartbreaker then please spare me
Damn, she was apparently So, I told her like oh baby
I'm so amazed by everything that you do

So, I told her like oh darlin'
I feel like I am fallin'
I think I'm in whatever it is they call it I'm talkin' 'bout love
My friends say I'm trippin' but baby I don't really give a fuck
Oh, oh. Pardon my French girl, I just wanna know what's up
I told her we should kick it
But all I heard was crickets In this light, you're lookin' like you're in flight
Pretty voice, put a ribbon on your wind pipe
Silly girl, you've been playin' with me all night
But we can work it out, I been on my gym hype Yeah, I heard you had a boyfriend and stuff
And I was just calling to tell you that it's cool 'cause
My other girlfriend got one, too, ha ha
So I told her like So, I told her like oh baby
I'm so amazed by everything that you do.
So, I told her like oh darlin'
I feel like I am fallin'
I think I'm in whatever it is they call it I'm talkin' 'bout love
My friends say I'm trippin' but baby I don't really give a fuck
Oh, oh. Pardon my French girl, I just wanna know what's up
I told her we should kick it
But all I heard was crickets
