

# Another Wordly Device

## Prong

Time for reward, it's been so hard, just living here  
Transcend the self, remove the sight, ending the fear  
Escape the fault, widen the gap, kill off the facts...That are gonna hurt my mind  
That are gonna stain my soul  
Another worldly device  
That may ruin meThat are gonna ruin my goals  
That are gonna take it's toll  
Another worldly device  
Another...Worldly release, take back myself, from this here self  
The ones that you do, must hold some truth, to what you should  
I will perceive, the will persists, I must omit...  
What's gonna hurt my mind  
What's gonna stain my soul  
Another worldly device  
That may ruin meNot gonna block my goals  
Not gonna take it's toll  
Another worldly device  
Another...Another worldly device  
more wrong advice  
another broken promiseWhat's gonna hurt my mind  
What's gonna stain my soul  
Another worldly device  
That may ruin me  
Not gonna block my goals  
Not gonna take it's toll  
Another worldly deviceAnother worldly device  
Another worldly device
