Addicted To You

Avicii

I don't know just how it happened I let down my guard Swore I'd never fall in love again But I fell hardGuess I should have seen it coming Caught me by surprise Wasn't looking where I was going I fell into your eyesYou came into my crazy world Like a cool and cleansing wave Before I, I knew what hit me, baby You were flowing through my veinsI'm addicted to you Hooked on your love Like a powerful drug I can't get enough of Lost in your eyes Drowning in blue Out of control What can I do? I'm addicted to youMidnight blows in through the window Dances 'round the room Got me hypnotized I'm getting high on the perfumeI couldn't live without you now Oh, I know I'd go insane I wouldn't last one night alone, baby I couldn't stand the painI'm addicted to you Hooked on your love Like a powerful drug I can't get enough of Lost in your eyes Drowning in blue Out of control What can I do? I'm addicted to you Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
