Lips Like Sugar

Seal

She floats like a swan Grace on the water Lips like sugar Lips like sugar Just when you think you've caught her She glides across the water She calls for you tonight To share this moonlightYou'll flow her river She'll ask & you'll give her... Lips like sugar Sugar kisses Lips like sugar Sugar kisses She knows what you know I know what she's thinking Sugar kisses, sugar kisses Just when you think she's yours She's flown to other shores To laugh at how you break And melt into this lakeYou'll flow down her river But you'll never give her... Lips like sugar Sugar kisses Lips like sugar Sugar kisses She'll be my mirror Reflect what I am Loose women The king of Siam And my siamese twin Alone in the river Mirror kisses, mirror kisses...Lips like sugar Sugar kisses Lips like sugar Sugar kisses...
