Lips Like Sugar

Seal

She floats like a swan
Grace on the water
Lips like sugar
Lips like sugar
Just when you think you've caught her
She glides across the water
She calls for you tonight

To share this moonlightYou'll flow her river She'll ask & you'll give her...

> Lips like sugar Sugar kisses Lips like sugar Sugar kisses

She knows what you know I know what she's thinking

Sugar kisses, sugar kisses

Just when you think she's yours She's flown to other shores

To laugh at how you break

And melt into this lakeYou'll flow down her river

But you'll never give her...

Lips like sugar Sugar kisses Lips like sugar

Sugar kisses

She'll be my mirror

Reflect what I am

Loose women

The king of Siam

And my siamese twin

Alone in the river

Mirror kisses, mirror kisses...Lips like sugar

Sugar kisses

Lips like sugar

Sugar kisses...
