

Don't Mess (feat. YG)

24hrs

24hrs

Right Now Sound

4 Hunnid!

With the HitmakaDon't mess with my girl
I'ma be the one to bring it to you
Got my crew, we can swerve
Find your own, leave mine alone
Don't mess with my girl
I'ma be the one to bring it to you
Got my crew, we can swerve
You should find your own, leave mine alone
Bet he say he the man for you
Bet he say he could be that, he got plans for you
Bet he done rent a brand new coupe
Bet that he didn't even say he could manage you
You know you need more
I bet that money here, you get bored
You gotta watch what you say sober
Hop in the Wraith, not the Range RoverDon't mess with my girl (girl)
I'ma be the one to bring it to you (24hrs)
Got my crew, we can swerve
Find your own, leave mine alone
Don't mess with my girl
I'ma be the one to bring it to you
Got my crew, we can swerve
Find your own, leave mine alone
Don't mess with my girl
I'ma be the one to bring it to you
Got my crew, we can swerve
You should find your own, leave mine alone
Stay away from my bitch (stay away from my bitch, nigga)
Got the pussy on locksmith (the pussy on locksmith, lil' nigga)
The pussy so good, so I trip (I trip nigga)
If she ever leave me, I'm sick (I'm sick nigga)
I blowed her back, she do a back flip (she do a back flip)
In the bed she do mad tricks (she do mad tricks)
Damn, we ain't talk all week (we ain't talk all week)
Soon as I see baby, I hit (but I still go deep)
She hit me on the phone, told me dude tryna holla at her
See 'em at the club, go Drake, throw a bottle at 'em
See 'em and nothin' happen
I ain't that kind of rapper

Try to mess with mine, girl that choppa, choppa comin' out
Don't mess with my girl
I'ma be the one to bring it to you (turn up)
Got my crew, we can swerve (4 Hunnid!)
Find your own, leave mine alone
Don't mess with my girl
I'ma be the one to bring it to you
Got my crew, we can swerve
You should find your own, leave mine alone
Ooh, ooh, ooh
24hrs
Ooh, ooh, ooh
Hitmaka!
