

Forrest Gump

Frank Ocean

I wanna see your pom-poms from the stands
Come on, come on My fingertips, and my lips, they burn
From the cigarettes
Forrest Gump, you run my mind boy
Running on my mind boy
Forrest Gump. I know you Forrest
I know you wouldn't hurt a beetle
But you're so buff, and so strong
I'm nervous Forrest
Forrest Gump
My fingertips, and my lips, they burn
From the cigarettes
Forrest Gump you run my mind boy
Running on my mind boy
Forrest Gump. I saw ya game, Forrest.
I was screamin'
"Run 44"
But you kept runnin' past the end zone
Oh where'd you go Forrest? Forrest Gump
My fingertips, and my lips, they burn
From the cigarettes
Forrest Gump you run my mind boy
Running on my mind boy
Forrest Gump
Forrest green,
Forrest blues,
I re-mem-ber you
This is love, I know it's true
I won't for-get you (you)
(You you, oh you you) It's for you Forrest
(You you, oh you you) It's for you Forrest
Forrest Gump
