

If I Ain't Got You (feat. Arturo Sandoval)

Alicia Keys

Some people live for the fortune
Some people live just for the fame
Some people live for the power, yeah
Some people live just to play the game
Some people think that the physical things
Define what's within And I've been there before
I know that life's a bore
So full of the superficial Some people want it all
But I don't want nothing at all
If it ain't you, baby
If I ain't got you, baby
Some people want diamond rings
Some just want everything
But everything means nothing
If I ain't got you, yeah Some people search for a fountain
That promises forever young
Some people need three dozen roses
And that's the only way to prove you love him Hand me the world on a silver platter
And what good would it be?
With no one to share
With no one who truly cares for me Some people want it all
But I don't want nothing at all
If it ain't you, baby
If I ain't got you, baby
Some people want diamond rings
Some just want everything
But everything means nothing
If I ain't got you, you, you Some people want it all
But I don't want nothing at all
If it ain't you, baby
If I ain't got you, baby Some people want diamond rings
Some just want everything
But everything means nothing
If I ain't got you, yeah
If I ain't got you with me, baby
Said nothing in this whole wide world don't mean a thing
If I ain't got you with me, baby
