

Can't Control Myself

Krewella

La, la-la, la-la
Let's do something that we shouldn't do
I know that you want
Something more in life and I do tooLa, la-la, la-la
Take me there, cause it's so overdue
Hit me like a rock - knock me out
I know you're dying toNo doubt, you got me dropped down to your feet
I can't control myself
You got me feelin' for your lust
One touch will make me in love, no fakin'
I can't control myself
You know I'll never get enoughI can't control myself
(Can't, can't, can't, can't)Can't control myself
Always on my mind
Turn these thoughts to verbs so we can do
Anything you likeNo such thing as "no" when I'm with you
When we dim the lights, come in closer
Smell this sweet perfume
Heatin' up the night
Touch me now, like there's no time to lose
No doubt, you got me dropped down to your feet
I can't control myself
You got me feelin' for your lust
One touch will make me in love, no fakin'
I can't control myself
You know I'll never get enough
I can't control myself
(Can't, can't, can't, can't)
Can't control myself
