## A Thousand Years (Glee Cast Version)

## **Glee Cast**

The day we met
Frozen I held my breath
Right from the start
I knew that I'd found a home for my heartBeats fast
Colors and promises
How to be brave?

How can I love when I'm afraidTo fall but watching you stand alone?

All of my doubt suddenly goes away somehow

One step closerI have died everyday waiting for you

Darling don't be afraid I have loved you

For a thousand years
I'll love you for a thousand more

Time stands still Beauty in all she is

I will be brave

I will not let anything take away What's standing in front of me

Every breath

Every hour has come to this

One step closerI have died everyday waiting for you

Darling don't be afraid I have loved you

For a thousand years

I'll love you for a thousand more

And all along I believed I would find you

Time has brought your heart to me

I have loved you for a thousand years

I'll love you for a thousand more Ooooh, Uuhhh, Uuhh

I'll love you for a thousand more

Ooooh, Uuuhhh, UuuhhhOne step closer

I have died everyday waiting for you

Darling don't be afraid I have loved you

For a thousand years

I'll love you for a thousand more

And all along I believed I would find you

Time has brought your heart to me

I have loved you for a thousand years

I'll love you for a thousand more

I will love you

A thousand years
