

The Bigger Picture

Monifah

(Mo) Um, whassup baby
I missed you today
(Man) You did, huh?
(Mo) Yeah, whassup, what's wrong with you?
(Man) How many times did I beep you today?
(Mo) I have no idea, you know where I was
(Man) If i beep you it's for a reason, it's not a joke
(Mo) What are you talking about, I was workin'
I can't stop every second and just answer every call
(Man) See that's your problem
You're being real disrespectful right now
(Mo) I can't keep goin' through these changes
I gotta work
I got a million things goin' on here
(Man) Seem a whole... I beeped you five times
(Mo) Listen, I was working and that's the bottom line
That's it, there's nothing else
What do you want me to say?
(Man) If I beep you, you call me back
(Mo) Listen
(Man) And I don't wanna hear nothin' else about it
(Mo) Uh
(Man) Nothin'
(Mo) So you know what? I I can't keep goin' through this
If you feel like that
If you feel like you being disrespected
You need to do what you gotta do
And I'mma do what I have to do
There's a bigger picture here, boo
I'm sorry
