She's Madonna (Radio Edit)

Robbie Williams & Pet Shop Boys

Oh, Madonna, MadonnaI don't miss you just who you used to be and you don't ring true so please stop calling me
Your "I love you"'s are ten a penny
You're dropping clues like you've got any
You got to choose
There's been so many ohhhhI love you baby
but face it she's Madonna

No man on earth could say that he don't want her

This look of love says I'm leaving you're frozen now

I've done the freezing

I'm walking out

Madonna's calling me

She's got to be obscene to be believed
That's her routine not what she means to me
I found myself by circumstance
across a room where people dance
And quite by chance

she' danced right next meI love you baby

but face it she's Madonna

No man on earth

would say that he don't want her

It's me not you

I've got to move on

You're younger too

but she's got her groove on

I'm sorry love

Madonna's calling meI want to tell you a secret

We're having drinks

with Kate and Stella

Gwyneth's here

she's brought her fella

But all I wanna do

is take Madonna homeI love you baby

but face it she's Madonna

No man on earth

would say that he don't want her

It's me not you

I've got to move on

You're younger too

but she's got her groove on I'm sorry love Madonna's calling me Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
