## **Early Mourning**

## Alesana

Last night I forgot

How the sound of your voice whispered sweet

Goodbyes,

Your eyes, left to die

I'm alone to understand whyWhy not one more night?

One last kiss goodbye?

My sweet love tonight

I hope the stars

Still spell out your name

Where you are...

Kiss my closing eyes

Help me sleep

Without you I'm so lost

Tonight I cry

Tell me why

I can't live without your warm embraceWhy not one more night?

One last kiss goodbye?

My sweet love tonight

I hope the stars still

Spell out your name

Where you are...I close my eyes and you are everything I see

Goodbye

Goodbye to you my love

I won't forget you

I'll see you soon

Goodbye my love

Goodbye to you my love

I won't forget you

Let me live
