

# Landslide

[Kelsea Ballerini](#)

I took my love and I took it down  
I climbed a mountain and I turned around  
And I saw my reflection in the snow covered hills  
But the landslide brought me down Oh, mirror in the sky, what is love?  
Can the child within my heart rise above?  
Can I sail through the changing ocean tides?  
Can I handle the seasons of my life?  
Oh oh, oh oh, oh oh  
Well, I've been afraid of changing  
'Cause I've built my life around you  
But time makes you bolder  
Children get older  
And I'm getting older too, yeah, yeah Do you know it?  
All right sing it with me  
Here we go Well, I've been afraid of changing  
'Cause I've built my life around you  
But time makes you bolder  
Children get older  
And I'm getting older too  
Yeah I'm getting older too  
So take this love and take it down  
And if you climb a mountain and you turn around  
And you saw my reflection in the snow covered hills  
Well maybe, well maybe, well maybe  
The landslide will bring you down
