

# Sing Sing

## Marianas Trench

Can I have your attention? Oh-oh-ooh Oh-oh-ooh Oh-ooh  
I just open my mouth  
Is it clear?  
Is it loud for you? You just need me to be stable  
But I won't be able  
To keep it together again  
Now don't pretty please me  
You're not making it easy to slow me down It's no wonder  
I'm not eating  
I'm not sleeping  
You say  
Sing, sing to me  
Sing me something I need  
Sing new, sing good  
God I wish that I could  
Are you hearing me now? Oh-oh-ooh Oh-oh-ooh Oh-ooh  
Hear the sad little sounds  
As they fall from my mouth You just need me to be stable  
But I won't be able  
To keep it together again  
Now don't pretty please me  
You're not making it easy to slow me down No wonder  
I'm not eating  
I'm not sleeping  
You say  
Sing, sing to me  
Sing me something I need  
Sing new, sing good  
God I wish that I could  
All my indecision  
All of my excess  
Don't you ever tell me I'm not lovin' you best  
I just need a minute  
I just need a breath  
You're very hard to drink to my continued success Do I have your attention? Woah! You just  
need me to be stable  
But I won't be able  
To keep it together again  
(Together again)  
Now don't pretty please me  
You're not making it easy to slow me down It's no wonder  
I'm not eating

I'm not sleeping  
You say  
Sing, sing to me  
Sing me something I need  
Sing new, sing good  
God I wish that I could All my indecision (Sing sing to me)  
All of my excess  
Don't you ever tell me I'm not lovin' you best (Sing sing to me)  
All my indecision (Sing sing to me)  
All of my excess  
Don't you ever tell me I'm not lovin' you best (Sing, sing to me) God I wish that I could Yeah-  
eah-eah!
