

# Two Less Lonely People in the World

## Air Supply

I was down, my dreams were wearing thin  
When you're lost, where do you begin?  
My heart always seemed to drift from day to day  
Looking for the love that never came my way  
Then you smiled and I reached out to you  
I could tell you were lonely too  
One look, then it all began for you and me  
The moment that we touched, I knew that there would be  
Two less lonely people in the world  
And it's gonna be fine  
Out of all the people in the world  
I just can't believe you're mine  
In my life where everything was wrong  
Something finally went right  
Now there's two less lonely people in the world tonight  
Just to think what I {Might} have missed  
Looking back, how did I exist?  
I dreamed, still I never thought I'd come this far  
But miracles come true, I know 'cause here we are  
Two less lonely people in the world  
And it's gonna be fine  
Out of all the people in the world  
I just can't believe you're mine  
In my life where everything was wrong  
Something finally went right  
Now there's two less lonely people in the world tonight  
Tonight I fell in love with you  
And all the things I never knew  
Seemed to come to me somehow  
Baby, love is here and now there's  
Two less lonely people in the world  
And it's gonna be fine  
Out of all the people in the world  
I just can't believe you're mine  
In my life where everything was wrong  
Something finally went right  
Now there's two less lonely people  
Two less lonely people  
Two less lonely people in the world tonight  
Two less lonely people in the world  
And it's gonna be fine  
Out of all the people in the world  
I just can't believe you're mine  
In my life where everything was wrong  
Something finally went right  
Now there's two less lonely people in the world tonight
