

# If Our Love Is Wrong

Calum Scott

I don't know how I should say it  
In my mind is every word  
That they don't wanna hear  
I don't know how they might take it  
Maybe you can take the pressure  
And make it disappear  
Throw out the inhibition  
You make me feel a feeling that I've never felt before  
I don't know if they're gonna like it  
But that only makes me want it more 'Cause I'm nobody's but yours  
If it's me, if it's you  
And if our love is wrong  
Then I don't ever wanna be right  
I don't ever wanna be right  
If it's real  
And if it's true  
And if our love is wrong  
Then I don't ever wanna be right  
I don't ever wanna be right Oh oh oh oh oh, yeah yeah  
Oh oh oh oh oh, I just want you to be mine Why would I need their permission  
Skin and bones, I'm only human  
It's in my DNA  
Suffocating just to fit in  
Why do I care what people say? 'Cause I'm nobody's but yours  
And If it's me  
And if it's you  
And if our love is wrong  
Then I don't ever wanna be right  
I don't ever wanna be right  
And if it's real  
And if it's true  
And if our love is wrong  
Then I don't ever wanna be right  
I don't ever wanna be right Oh oh oh oh oh, yeah yeah  
Oh oh oh oh oh, I just want you to be mine Oh oh oh oh oh, yeah yeah  
Oh oh oh oh oh, I just want you to be mine
