

Superstar

Jamelia

People always talk about
ey-o ey-o ey-o
All the things they're all about
Ey-o ey-o ey-o
Write it on a piece of paper (Paper)
Got a feeling I'll see you later (Later)
There's something 'bout this
Let's keep it moving
And if it's good let's just get something cooking
Cause I really wanna rock with you
I'm feeling some connection to the things you do
You do, you do...
I don't know what it is
That makes me feel like this
I don't know who you are
But you must be some kind of superstar
Cause you got all eyes on you no matter where you are
You just make me wanna playBaby take a look around
ey-o ey-o ey-o
Everybody's getting down
Ey-o ey-o ey-o
Deal with all the problems later (Later)
Bad boys on their best behavior there's something 'bout you
Let's keep it moving
And if it's good let's just get something cooking
Cause I really wanna rock with you (With you)
I'm feeling some connection to the things you do
You do, you do
I don't know what it is
That makes me feel like this
I don't know who you are
But you must be some kind of superstar
Cause you got all eyes on you no matter where you are (Where you are)
You just make me wanna playI like the way your moving
Ey-o ey-o ey-o
I'm just gettin to the groove and then
You just make me wanna play
If you just put pen to paper
Ey-o ey-o ey-o
Got that feeling I'll see you later (Later)
Ey-o ey-o ey-oMake your, move
Can't we get a little closer?

You, rock it just like your supposed to
Hey! Boy I ain't got nothing more to, say
Cause you just make me wanna play! I don't know what it is
That makes me feel like this
No, no, gotta be gotta be a superstar!
All eyes on you
Ohh Now!
'Coz You just make me wanna play! I don't know what it is (I don't know)
That makes me feel like this (I don't know)
I don't know who you are (I don't know)
But you must be some (Gotta be a superstar)
Cause you got all eyes on you no matter (No matter) where you are
You just make me wanna play I don't know what it is
That makes me feel like this (I don't know what it is)
I don't know who you are (That makes me feel like this)
(I don't know who you are) But you must be some kind of superstar
Cause you got all (All) eyes on you no matter where you are
(No matter where you are)
You just make me wanna play
you, Babe
