

# Why Won't You Tell Me What

[Josh Rouse](#)

Why won't you tell me what  
Why won't you tell me what  
What's going on  
With you Why won't you tell me what  
Why won't you tell me what  
What's going on  
With you Sparkling eyes  
You're trying to hide  
I've seen those tears before I don't think I like them Give me a sign  
Some kinda sign  
To bring me back around to your way of thinking  
Why won't you tell me what  
Why won't you tell me what  
What's going on  
With you Why won't you tell me what  
Why won't you tell me what  
What's going on  
With you Wasting my time  
My precious time  
Whatever it is I wish you'd up and say it Give me a sign  
Some kinda sign  
To bring me back around to your way of thinking Why won't you tell me what  
Why won't you tell me what  
What's going on  
With you  
Why won't you tell me what  
Why won't you tell me what  
What's going on  
What's going on  
With you
