

Why Won't You Tell Me What

Josh Rouse

Why won't you tell me what
Why won't you tell me what
What's going on
With you Why won't you tell me what
Why won't you tell me what
What's going on
With you Sparkling eyes
You're trying to hide
I've seen those tears before I don't think I like them Give me a sign
Some kinda sign
To bring me back around to your way of thinking
Why won't you tell me what
Why won't you tell me what
What's going on
With you Why won't you tell me what
Why won't you tell me what
What's going on
With you Wasting my time
My precious time
Whatever it is I wish you'd up and say it Give me a sign
Some kinda sign
To bring me back around to your way of thinking Why won't you tell me what
Why won't you tell me what
What's going on
With you
Why won't you tell me what
Why won't you tell me what
What's going on
What's going on
With you
