

3am

Meghan Trainor

I can't believe I'm still doing this
I told myself a month ago that I'd be through with this
I'm looking at my phone, and wondering if you're home
I'm kinda tipsy, I ain't tryin'a sleep alone
Somebody told me that some other girl was hugging you
Baby, you know I'm the one that should be loving you
You know we had a thing, baby it's such a shame
I still get crazy every time I hear your name I know it's complicated
But you know I'm impatient 3 AM: Yup, I'm texting you once again
Even though I'm hanging with my friends
I can't help it, I can't help myself, no
3 AM, I might be looking for a late night friend
And, baby, I can't get you out my head
I can't help it, I can't help myself, no
Kinda stressing like I'm gonna have a heart attack
It's been an hour and you haven't even hit me back
Baby, keep it real, tell me what's the deal
'Cause I miss you, you don't know how this feels I know it's complicated
This always happens when I'm wasted 3 AM: Yup, I'm texting you once again
Even though I'm hanging with my friends
I can't help it, I can't help myself, no
3 AM, I might be looking for a late night friend
And, baby, I can't get you out my head
I can't help it, I can't help myself, no I know, I know, I know
It's so wrong
Somebody take away my phone
'Cause I've been drinking all night long
All night long
All night long
I know, I know, I know
It's so wrong
Somebody take away my phone
'Cause I've been drinking all night long
All night long
All night long
3 AM: Yup, I'm texting you once again
Even though I'm hanging with my friends
I can't help it, I can't help myself, no
3 AM, I might be looking for a late night friend
And, baby, I can't get you out my head
I can't help it, I can't help myself, no
