

Starfish

Sister Hazel

I saw a starfish on the ground
He was half buried in the sand
He was just so out of place, and aah,
we were a long long way from home I was a long long way from home
And so we talked a little while
Then i shook his hands and I, I was a long long way from home And everything is wonderful,
and everythings alright
So alright, there we were, one less star tonight Na na na na na na na,
na na na na na na
(repeat)
We found a better place to go
Might be the top of purple mountains
so close to outerspace
and aah, we were a long long way from home We'd bring some records and a game,
Might take a walk or read a book,
But it's not the same no aah, we're still a long long way from home And everything is
wonderful, and everythings alright
So alright, there we were, one less star tonight I saw a starfish on the ground,
He was half buried in the sand
Now he's not so all alone, and he's finally going home
So i smiled and shook his hand
and we were singing Na na na na na na na,
na na na na na na.
(repeat)
and we were singing
Na na na na na na na,
na na na na na na.
(repeat) There we were, one less star tonight
There we were, one more star tonight
