

Aurelia

[AFI](#)

Aurelia, the new wolves await
Aurelia, they brought you new chains They're barking in the wrong key
They're barking in the wrong key
They're barking in the wrong key
And you sing along Aurelia, dream animals' wills
Are real enough to make the slow kill They're barking in the wrong key
They're barking in the wrong key
They're barking in the wrong key
And you sing along
Can you see at night?
We can see at night
Oh oh oh oh oh, oh oh
Can you see at night?
We can see at night
Oh oh oh oh oh, oh oh
And we're barking in the wrong key
They're barking in the wrong key
They're barking in the wrong key
And you sing along
And you sing along
And you sing along
They're barking in the wrong key
And you sing along
