

# Aurelia

[AFI](#)

Aurelia, the new wolves await  
Aurelia, they brought you new chains They're barking in the wrong key  
They're barking in the wrong key  
They're barking in the wrong key  
And you sing along Aurelia, dream animals' wills  
Are real enough to make the slow kill They're barking in the wrong key  
They're barking in the wrong key  
They're barking in the wrong key  
And you sing along  
Can you see at night?  
We can see at night  
Oh oh oh oh oh, oh oh  
Can you see at night?  
We can see at night  
Oh oh oh oh oh, oh oh  
And we're barking in the wrong key  
They're barking in the wrong key  
They're barking in the wrong key  
And you sing along  
And you sing along  
And you sing along  
They're barking in the wrong key  
And you sing along
